Dear IFMA Chesapeake Chapter,

Thank you for your generosity in providing Happy Helpers for the Homeless with an **amazing very large toy donation and \$1,000.00** in December 2020. As you know, this has been a very challenging year for all of us and even more so for the less fortunate people we serve throughout Maryland. With the kids out of school and so many people not working due to the COVID-19 pandemic, our requests for food and other necessities have doubled. The toys given by you were used to ensure that the children we serve had a very special holiday – they rarely, if ever, get new things, so your gifts mean so much to them. The **outstanding** funds provided by you will be used to purchase food and other necessities for the families and individuals we serve and are very much appreciated.

There is no way to adequately thank someone for making another person feel valued and loved – it is a gift that cannot be measured – your wonderful toy donation made it possible for Happy Helpers to make the children we serve know they are so very special and loved. The joy you bring to others will be returned to you ten times over.

Happy Helpers for the Homeless is an all-volunteer non-profit organization. We depend solely on the generosity of others to provide food and other necessities to homeless and needy people throughout Maryland. We cannot continue our work to bring hope to society's forgotten population without organizations such as IFMA Chesapeake Chapter, who see a need in the community and respond with such love and compassion.

THANK YOU THANK YOU THANK YOU

HAVE A VERY HAPPY AND HEALTHY NEW YEAR

Have a Very Blessed Day.

Sincerely,

Cathy Kennedy
