## COMMON INTEREST GROUPS

Do you have a passion or hobby that you enjoy and would like to share with other chapter members? We would like to connect like-minded members and have them form informal groups that meet on a regular basis (Details to be determined by the group).

How it works: Respond to the email that you will receive with the passions, hobbies, or interests that you would like to share with others, or that you are interested in exploring. Example of activities: golfing, brewery tours, pickle ball, hiking, billiards, bowling, riding motorcycles, etc. We will collect them and send back out to the Chapter and see who has an interest in each activity. We will connect the people with the common interests and let you work out details (How often, where, when how, etc.....).

The group leader will let the Chapter Administrator know when and where the group will meet so details may be posted on the chapter website.

This will be a great way to connect with other chapter members in a smaller, more personal way. We look forward to hearing from you!

Next Activity to meet is:

### **IFMA Chesapeake 35<sup>th</sup> Anniversary**

**Date:** Saturday, August 14, 2021

**Time:** 12:30PM – 5:00PM

**Location:** Kurtz Beach, Pasadena, MD.

## IFMA Advocacy Day

IFMA's annual Advocacy Day and Public Policy Forum will take place in September in Washington, D.C., USA. This free event allows IFMA members and chapter leaders in the U.S. to utilize their experience and expertise in FM to help inform the public policy process.

Attendees will get a first-hand look at how Congress creates and implements the laws that affect FM, learn about pending legislation that may directly impact the industry and get policy updates from IFMA's legislative team, administration officials and members of Congress.

No experience is needed - all you need is a desire to help advance the FM profession. Come experience this tremendous benefit of IFMA membership and find out why so many attendees keep coming back each year.
