Encore Presentation: Cultural Adaptation in the New Hybrid Workplace (Virtual)

February 24, 2022

Join the Encore Presentation Sponsored by IFMA Chesapeake Chapter
and WE HUB Mid-Atlantic!

While last year left many organizations with unique challenges, business leaders are finding ways to make today's realities become tomorrow's opportunities. These new priorities include building resilience into the organization's culture, building a sense of community into the hybrid workplace, and supporting the organization's mission by keeping employees engaged and productive.

In this webinar, we will discuss how to strengthen your organization's unique culture including the following methods:

- Establishing resilience and consistency through equitable participation across the organization's entire population.
- Building authenticity and inclusiveness in your culture by utilizing employee resource groups, rewards and recognition programs, and pulse surveys.
- Repositioning your workspace to support a community-centric, team-centric, or professional growth-centric atmosphere.
- Promoting connectivity and engagement across the hybrid work model by using analytical tools and technology.

COMMON INTEREST GROUPS

Do you have a passion or hobby that you enjoy and would like to share with other chapter members? We would like to connect like-minded members and have them form informal groups that meet on a regular basis (Details to be determined by the group).

How it works: Respond to the email that you will receive with the passions, hobbies, or interests that you would like to share with others, or that you are interested in exploring. Example of activities: golfing, brewery tours, pickle ball, hiking, billiards, bowling, riding motorcycles, etc. We will collect them and send back out to the Chapter and see who has an interest in each activity. We will connect the people with the common interests and let you work out details (How often, where, when how, etc.....).

The group leader will let the Chapter Administrator know when and where the group will meet so details may be posted on the chapter website.

This will be a great way to connect with other chapter members in a smaller, more personal way. We look forward to hearing from you!

Contact Chapter Administrator at Elizabeth@cqiassociates.com with an activity you are interested in.
