

**Peter Notari, AIA, CFM, LEED AP, EDAC
Moderator**

Peter Notari has worked in the Baltimore/Washington area over the past 40 years. He received his Bachelor of Architecture degree from the University of Maryland, College Park in 1976. Mr. Notari was first licensed in the state of Maryland in 1981 and received his NCARB certification in 1985. He received his Certified Facility Manager designation (CFM) in 1998 and became a LEED AP in 2009. Pete has an expansive range of job experience in architecture and construction as well as facilities management. His project work in the planning and design field includes projects for hospitality, commercial, healthcare, corporate and technology clients. His projects have ranged from interiors to adaptive reuse to new construction. He has assisted his clients over the years in finding innovative, imaginative solutions to complex problems while maintaining a commitment to budgets and schedules. Mr. Notari is a strong communicator dedicated to providing an open and collaborative approach to create exceptionally functional projects whose aesthetic quality reinforces the client's culture and connects people to their environment.
